Hi Darcy,

The Eastern Shoshone letter is probably the best example because we included questions based on the Treaty Rights guidance document. The letter to the Cheyenne and Arapaho Tribes is our letter letting them know our consultation process is coming to a close. Is that the type of letter you had in mind?

Hi Valois! If it's not too much trouble, can you send examples of the last 2 consultation letters we sent out to tribes? Another region is asking how we consult around NHPA, and think we have some good questions in there that might be helpful.

Let me know if you have questions.  
Thanks!  
D
